Our Sunday Morning Service Format

White Oak Chapel strives to operate according to the New Covenant pattern of the assembly. Our Sunday morning service, a celebration of the Resurrection, often follows as such:

- Opening prayer by the Pastor
- Congregation greeting time
- Scripture reading
- Worship of God led with music, including guitar, bass, drums, tambores, and singing
- Encouragement of Spirit-filled believers to prophesy as the Holy Spirit so inspires each
- Offering received
- Announcements & Testimonies
- A 30-minute biblical message preached by the Pastor
- The Lord's Supper, open to any and all believers in Christ Jesus, not just our church members
- Closing prayer by the Pastor
- Pastor available at the altar for immediate prayer needs, such as healing

Other Sunday Morning Ministries

- Children's Sunday School, taught downstairs, during Pastor's message, for children grades K-8
 - Toddler's class, for those between nursery and Kindergarten age, taught bi-monthly
 - Attended nursery available during Pastor's message
-

Our Wednesday Night Class

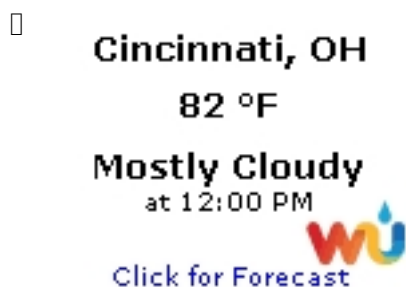

Our Bible studies on Wed. evenings are informal, and include:

A special presence of the Lord always seems to be evident as those truly seeking to know Him better gather together.

...or, if you know the area:

The church is just east of the Monfort Heights Kroger store (Cheviot/North Bend Rd. junction) on North Bend Rd., on the north side of the street. The parking lot has a large concrete lion fountain marking its entrances, placed there by our landlord, in memory of his dear secretary, Janice, who helped us get into this building. It is about 1/2 mi. west and across the street from LaSalle High School. There is a large real estate agency sign next door, and Cornerstone Christian Day Care center (not affiliated) rents the building west of the church.
